ASSOCIATION OF CONCERT BANDS

WHAT IS ACB?

ACB is an organization of dedicated amateur and professional musicians who work together to encourage and foster adult concert, community, municipal and civic bands. Our members include individuals, bands and corporations who are uniquely dedicated to serving the needs of adult instrumental concert band players and conductors.

We work to ensure that every musician who wishes to perform has that opportunity; that every community may have its own band embodying its civic pride; and that citizens of the world community may enjoy live performances of band music.

WHY JOIN ACB?

We offer the chance to join an organization of talented, dedicated, effective people bonded by our common love of “all things Concert Band.” We have a lot to offer, including:

- ◆ Our excellent triannual news magazine, *The ACB Journal*, featuring lots of member content and interesting articles by recognized leaders
- ◆ Our stimulating, engaging Annual Convention featuring wonderful band performances, excellent seminars and clinics, and networking with educational and industry leaders
- ◆ Our Convention Band, in which ACB members perform under a talented, nationally-recognized guest conductor
- ◆ Free access to NAXOS Music Library (NML) Streaming Service for Individual, Student, Family, and Life members
- ◆ Help in starting new bands; new music commissions; and projects like the unique DVD of Frederick Fennell rehearsing *Lincolnshire Posy* with the US Navy Band
- ◆ BMI and ASCAP Blanket Performance Licensing agreements allowing member bands to pay their licensing fees through their annual ACB membership fee
- ◆ Website access to resources like the ACB Band Builder’s Manual, PDF copies of back issues of the *ACB Journal*, ACB Bylaws and Policies, and more
- ◆ Member discounts from participating corporate suppliers and discounted advertising rates in the *ACB Journal*
- ◆ An effective vehicle through which to show and exercise your commitment to bands and band music—ACB, the “International Voice of Community Bands.”
